PRELIMINARY AMENDMENT

Sir:

Prior to examination, please amend the above-identified application as follows:

In the Claims

Applicant presents the claim as amended below and encloses a separate page of the marked-up claim with bracketing and underlining.

Please rewrite claim 8 as follows:

8. (Amended) A context management web server accessible through a network, comprising:
a computer memory in which is stored a set of instructions defining a context manager accessible to managed applications through the network; and
a computer memory in which is stored a set of instructions defining a context vault accessible to the context manager.
